OF H IS HIGHNESS THE MAHARAJA OF MYSORE
LAW DEPARTMENT BANGALORE

SIR

With reference to your letter No L 540 dated 19-7-44, in the matter of appointing a competent Veterinary Inspector in place of the existing one, I have the honour to state as follows -

1 The present Veterinary Inspector is one Mr Syed Hussain, who has put in a total service of nearly 26 years in the Municipality His present age is 49 years and 3 months He has been drawing a pay of Rs 60/- plus a conveyance allowance of Rs 5/- per mensem since 1-7-1927 His work is reported to be very unsatisfactory I enclose herewith copy of Health Officer's report No H2-10642/43 dated 8-7-1944 for the perusal of Government

2 If the present Veterinary Inspector is retired, there is no other trained person in the Municipality to take his place The question was therefore taken up with the Superintendent of Veterinary Services That Officer stated in his letter No 243/44-45 dated 13th October 1944 (copy enclosed) that the existing scales of pay of Veterinary Inspectors in the Department are Rs 50-5/2-90 and 90-5-125 and that the Veterinary Inspectors drawing less than Rs 100/- who are in charge of Dispensaries are in addition, entitled to get a charge allowance of Rs 10/- per mensem He has agreed to spare the services of a suitable Veterinary Inspector to work in this Municipality, if he is given similar grades of pay and charge allowance in addition to the usual deputation allowance The Health Officer has pointed out that Sanitary Inspectors and other Executive Subordinates lent to a Municipality are given only their grade pay in their respective Departments and such allowances as are attached to the posts they hold in the Municipality, that, in addition, the Municipality will have to contribute - towards their leave and pension and that the grant of a deputation allowance in this particular case would involve a departure from the existing practice On this ground, he is opposed to the grant of any deputation allowance to the Veterinary Inspector proposed to be got from the Veterinary Department It is however, possible to justify the grant of such an allowance for the reason that it would act as an incentive to really capable and energetic men of the Department and to accept service under the Municipality

The question of retirement of Mr Syed Hussain under Article 311, M S R and the revision of the grade pay of the

the post of the Veterinary Inspector from Rs 60/- (fixed) to Rs 50-5/2-90 and Rs 90-5-125 in order to facilitate the interchange of hands between the Municipality and the Veterinary Department came up for consideration before the Municipal Council at their meeting held on the 15th December 1944 and the proposal was approved by the Council I enclose herewith a copy of the Council resolution with a copy of the Office Note referred to therein

On receipt of sanction of Government to the above - resolution, action will be taken to retire the present Veterinary Inspector and obtain the loan of a competent Inspector from the Veterinary Department

I have the honour to be,

---

With reference to your letter No A5-C 548/44 dated 4-10-1944 requesting for the services of a Veterinary Inspector on Rs 60/- to the Bangalore City Municipality, I have the honour to state that the existing scale of pay of Veterinary Inspectors in the Department is in grades 50-5/5-90 and 90-5-125 The Veterinary Inspectors drawing a pay below Rs 100/- in the Department, also get a charge allowance of Rs 10/- when they are in charge of a Dispensary In view of the above, if the Veterinary Inspectors are given similar grades and benefits of charge allowance in addition to the usual deputation allowance, arrangements will be made to spare the services of a Veterinary Inspector to your Municipality I request the favour of an early reply in the matter

Memo No, A5-Gl 9845/43 dated 6-6-1944, returning the leave application of Mr Syed Hussain, Veterinary Inspector, to report whether the post of Veterinary Inspector is not a Municipal one and whether it is interchangeable with the Inspectors of Veterinary Department

---

Submitted to the Municipal Commissioner

The Veterinary Inspector, does not seem to have any qualification excepting that he went on active service during the last war During the short period I have been here, I find his work most unsatisfactory He does not seem to examine the sheep and goats brought for slaughter He is permitting caracasses to be removed for sale which is against the bye-law and he has not so far submitted his explanation as to why he is permitting caracasses to be removed He has not been submitting his diaries for the past 3 months, when he is insisted on to submit his diaries, he is rather irregular in his submission He is not inspecting the various Mutton Stalls in the City I find that caracasses from Cantt , are exposed for sale in Munireddipalyam and there is no record to show that the permission has been granted by any responsible officer of this Municipality for vending mutton from Cantt A perusal of his service register shows that he has been find several times for negligence of duty

I therefore feel that it is desirable to retire him from service, under article 311 M S R and a young energetic qualified Veterinary Inspector got in his place from the Veterinary Department Mr Syed Hussain has put in 25 years of service and can be retired as per rules stated above, after obtaining the sanction of Government If approved, the Superintendent, Veterinary Department, will be addressed in the matter to ascertain whether a hand could be spared

Note No A5-C 448/44 dated nil

Mr Syed Hussain, Veterinary Inspector of this Municipality requested for the grant of privilege leave for two months

The Health Officer submitting the petition observed that an young and energetic Veterinary Inspector may be got from the Civil Veterinary Department

The Commissioner was pleased to call for the information whether the post of the Veterinary Inspector is not a Municipal one and whether it is interchangeable with the Inspectors of the Veterinary Department

The Health Officer reported among other things that the present Veterinary Inspector be retired under article 311 M S R and a hand got in his place from the Veterinary Department

On a reference made to the Superintendent, Civil Veterinary Department, a reply is received that the scale of pay of Inspectors is Rs 50-5/2-90 and 90-5-125 and that if the Inspect is put in charge of a Dispensary he will be paid a charge allowance of Rs 10/- plus Deputation Allowance If the grade and the allowances are given, arrangements will be made to depute an Inspector

The Health Officer has further reported that the work of the present Veterinary Inspector is unsatisfactory and Government in their letter No L 540 dated 19-7-1944 have forwarded a copy of letter from the Honorary Secretary, S P K A that a qualified Veterinary Inspector be posted to the Bangalore City Municipality in place of the present incumbent

Of course, the Veterinary Inspector has put in 25 years of service to qualify him for pension under Article 311 of the S R

Orders are solicited -

1 Whether the present Veterinary Inspector should be retired,

2 Whether his prayer for grant of privilege leave, should be sanctioned

3 Whether a referance be made to the Superintendent, Civil Veterinary Department to depute another person in his place

If the grade and pay now sought to be paid to the new incumbent is approved the matter will have to be placed, before the Council, as it will be an appointment above Rs 60/- and sanction of the Council is necessary

The present Veterinary Inspector has been drawing Rs 60/- + Rs 5/- C A per month He has put in a service of 25 years and 9 months

To facilitate interchange of the officials, it is necessary to revise the scale of pay of the Veterinary Inspector of this Municipality to be at par with that of the Veterinary Department The matter may be placed before the Council to approve of the revision of the scale of pay accordingly

1 The present Veterinary Inspector may be retired under Article 311 S R in the circumstances reported by the Health Officer

2 The scale of pay of the Veterinary Inspector of this Municipality may be revised to Rs 50-5/2-90 and 90-5-125 so
